Little Rebels

Tipton-Rosemark Academy 3 and 4
year old Kindergarten program

TRA Little Rebels Program

Our three and four year old Kindergarten programs use the ABEKA curriculum. Our committed teachers stimulate thinking skills in a nurturing and playful environment. We believe that each child develops at his or her own rate. Therefore, we provide a variety of learning opportunities that appeal to different learning styles. Each teacher strives for her students to reach their potential while providing a safe, positive, and nurturing learning environment.

Teaching. Reaching. Achieving.

3 Year Old Kindergarten

This program helps our students obtain the academic and social skills they need to succeed as life-long learners. Our center-based classrooms promote hands on and interactive learning. We believe early childhood education should stimulate a student's creativity and exploration while integrating age appropriate subject matter that includes phonological awareness, number concepts, and Biblical teachings.

4 Year Old Kindergarten

This program includes phonics, reading, writing, math, science, social studies and Bible. Students are given many opportunities for writing, drawing, painting, listening, speaking, and creative play.

Both programs are enhanced with the use of a

portable MacBook cart that houses laptops for each child to use.

A certified teacher will be in each classroom.

Students must be age 3 or 4 before September 30th of their start year.

Complete independent potty training is mandatory.

A meal plan will be offered each day.

After School Care is available until 6pm.

School uniforms are required.
