

TRA FUND 22-23

DISCOVER THE DIFFERENCE

FAITH

The TRA fund strives to bring stakeholders together by bridging the gap between tuition revenue and the cost of running the school while supporting the TRA mission and the strategic plan. The TRA Fund is designed to provide all families the opportunity to participate in the critical work we do in educating and forming a strong Christian foundation for our students.

CHARACTER

The TRA Fund creates opportunities for all students by providing funding to all departments. It encourages healthy relationships while focusing on acts of kindness and generosity. TRA focuses on creating students with great moral character. Through your contribution to the TRA Fund, you develop a more meaningful connection with our goals and priorities.

ACADEMICS

The TRA fund supports a solid foundation for creating successful faculty-student relationships while building a challenging curriculum so all of our students are prepared for higher education. Your gift contributes to enhanced programming, continued improvement of our physical facility, and most importantly allows TRA to continue to provide excellence in education for every student.

SERVICE

Your gift to the Annual Fund has a real impact in the classroom and in our TRA community. Your gift also allows us to abundantly impact the TRA community with our time, our talents, and our resources. Your gift, no matter the size, inspires our teachers and our students to learn, discover, and find extraordinary ways to work hard and serve others.

The goal for this year is to raise \$100,000 while having 100% participation from the Board of Directors, faculty and staff, and parents. Together we can make a difference in the lives of the students at TRA. Gifts of ALL sizes add up to make a big difference as we work to continue building a worthwhile legacy.
