## Weekly Minute with God

Hebrews 12:1 "Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles. And let us run with perseverance the race marked out for us."

Since this week is very important for us in the athletics, this verse seemed very appropriate! Whether it's in sports or in life, this verse still applies. Notice that first, it says that we should throw off our distractions, so that we can focus on what's ahead. It's hard to move forward when you are being held back. Next, it says that we should run the race with perseverance...in other words don't give up! He has so much in store for you if you will just stay the course.

## Spreading Sunshine... and Tacos!

Moe's Southwest Grill catered the dinner that the students were able to serve. Some of the students also brought drinks and desserts to share with the families that night.
