

2020-2021 TRA ANNUAL FUND

EVERY GIFT MATTERS

Gifts to the Annual Fund provide a crucial bridge between tuition revenue and the actual cost of running the school, offering relief to the operating budget and directly impacting students, faculty and numerous programs across the campus.

Restricted gifts to a particular department, project or activity are greatly appreciated and allow you the opportunity to tell us how you would like your donation designated.

HELP KEEP OUR SCHOOL SAFE

Investing in the Annual Fund will keep our children, faculty, and school safe in a time where the future feels unpredictable. Now more than ever, TRA is so grateful for the community that has funded, volunteered, and celebrated the school over the years. While much of the world has seemed to have stopped, our mission will not be placed on hold. Funds donated this year will be used on resources that help implement and sustain positive safety measures. Every gift adds up and cultivates a TRA experience that is like no other.

Please join us in supporting 2020-2021 Annual Fund.
